

POWERSPORTS SERVICE AGREEMENT

ALL CU CERTIFIED POWERSPORTS PROGRAMS INCLUDE:

Nationwide Coverage

The great outdoors is even greater when you're riding worry-free! With the CU Certified Powersports Program you're always covered, anywhere in the U.S. or Canada.

Transferable

Coverage is transferable to the next owner of your vehicle. This feature can greatly enhance your vehicle's value if you decide to sell or trade it in.

Deductible

\$0 deductible per repair visit (based on selected plan).

No Mileage/Hour Limitation

CU Certified Powersports Program doesn't saddle participants with mileage, usage or time restrictions. Our goal is to make sure you can depend on your vehicle and get maximum enjoyment out of it.

SCOOTERS / ATV's / UTV's
PERSONAL WATERCRAFT
SNOWMOBILES
JET BOATS

SNOWMOBILES

It's no secret that repair costs continue to rise. While your Powersport vehicle is in warranty, you can relax, because the factory will step in to pay for those expensive repairs. But wouldn't it be comforting to have the same kind of dependable coverage, even after the warranty expires?

CU Certified Powersports Program is available for both new and used Snowmobiles up to 5 years old.

Here are a few of the component groups that are covered¹ on your Snowmobile by a CU Certified Powersports Program:

- Engine
- Cooling System
- Oil Injection
- Fuel System Components
- Electrical Gauges
- Chain Case
- Steering
- Brake
- Suspension
- Primary Drive
- Secondary Drive
- Seals & Gaskets (New only)

PERSONAL WATERCRAFT

A CU Certified Powersports Program covers mechanical failures as a result of defects in materials or factory workmanship. Coverage is virtually the same as the Limited Warranty coverage you get with a new vehicle; however, batteries and accessories are not covered. Every CU Certified Powersports Program includes nationwide coverage.

CU Certified Powersports Program is available on both new and used Personal Watercraft.

Below are some of the many component groups covered¹ by a CU Certified Powersports Program:

- Engine
- Lubricating System
- Fuel System Components
- Drive Line System
- Pump System
- Controls
- Steering
- Electrical
- Seals & Gaskets (New Personal Watercraft Only)

JET BOATS

CU Certified Powersports Program gives you a solid protection plan with coverage that can help alleviate the high cost of repairs.

Uninterrupted coverage: CU Certified Powersports Program takes over when your original factory warranty expires. It covers mechanical and electrical failures as a result of defects in materials or factory workmanship.

Some of the covered¹ component groups include:

- Engine Components
- Lower Unit Components
- Lubricating System Components
- Fuel System Components
- Steering Components
- Jet Drive Components
- Electrical Components
- Power Trim And Tilt Components
- Controls Components
- Electric Motor Components
- Drive Line Components (U-Joint Housing)
- Seals And Gaskets (New Jet Boats Only)

SCOOTERS / ATV's / UTV's

No Mileage Limitation: Ride as much as you like. Coverage is based on time, not mileage

Deductible: \$0 deductible per repair visit (based on selected plan).

Extent of Coverage: A CU Certified Powersports Program covers you for mechanical and electrical failures as a result of defects in materials or factory workmanship. Component coverage is the same as listed and originally covered by the factory warranty that came with your new powersport vehicle. However, maintenance and normal wear items such as tires, batteries, and accessories are not covered.

CU Certified Powersports Program is available for for new and for used powersport vehicles up to 5 years old. Some of the component groups that are covered¹ on your Scooter, ATV or UTV Include:

- Engine
- Water Pump
- Transmission
- Primary Drive
- Drive Assemblies (Shaft Driven Powersport Vehicles}
- Suspension (Front And Rear)
- Steering
- Brakes
- Electrical
- Gauges
- Fuel System Components
- Seals & Gaskets (New Powersport Vehicles Only)

¹**Excludes:** Repairs due to normal wear and tear or aging, Batteries, accessories and expendable maintenance items, such as spark plugs, seals, filters and lubricants. See your contract for a complete listing of coverages and exclusions.
